### **Terms & Conditions**

By continuing to utilize this website, you confirm that you have received correspondence relating to a debt in your name, that you are authorized to access information related to the debt, and you authorize FRS to communicate with you using its telephony equipment and phone switch equipment including, but not limited to, an automated dialer to any phone number provided by you, including your cell phone number and also allowing FRS to communicate with you via any email address you provide. This communication is from a debt collector. This is an attempt to collect a debt and any information obtained will be used for that purpose.

FRS is not a credit reporting agency and we do not report to the credit reporting agencies. Therefore, we cannot make any claims on how this debt or the paying of this debt would affect your credit score. The variables involved directly related to the calculation of each credit bureau's credit score model are too complex for us to make any claim relative to the effect of one transaction on any individual credit score. FRS will report the transaction to our client and we will report to them the fact that an account is either paid in full or settled in full once that has occurred.

**We are required under certain State and Local Laws to notify consumers of those States or Localities of the following rights. This list does not contain a complete list of the rights consumers have under Federal, State, or Local Laws.**
